Whenever Principal shall be, and is declared the District to be, in default under the Contract, the Surety shall promptly either remedy the default, or, if the Contract is terminated by District or the Principal's performance of the Work is discontinued, Surety shall promptly complete the Contract through its agents or independent contractors, subject to acceptance of such agents or independent contractors by District as hereinafter set forth, in accordance with its terms and conditions and to pay and perform all obligations of Principal under the Contract (including, without limitation, all obligations with respect to payment of liquidated damages) less the "Balance of the Contract Price" (as hereinafter defined); subject to the penal amount of this bond as set forth above. Unless otherwise approved by District, in the exercise of its sole and absolute discretion, Surety shall not utilize Principal in completing performance of the Work.

2. NO ORAL AGREEMENTS - No oral agreement or conversation with any officer, agent, or employee of the County, either before or after execution of the Agreement shall affect or modify any of the terms or obligations contained in the Contract Documents. Any changes to the Contract Documents must be in writing and signed by the authorized County representative.

3. APPLICABLE LAWS AND REGULATIONS - The Contractor shall comply with all laws, ordinances and regulations applicable to the work. This includes all environmental regulations. If the Contractor ascertains at any time that requirements of this work are at variance with applicable law, ordinances, regulations or building code requirements, he shall promptly notify the County; and shall not proceed with the work in question, until the County has had an opportunity to determine the responsibility for the variance.

4. LICENSES AND PERMITS - The Contractor, acting in the name of the County, shall obtain and pay in full for all licenses, permits, inspections, inspection certificates and similar documents required to be obtained from any authority having jurisdiction over any part of the work. The Contractor shall provide the County Project Manager with a daily schedule of activities so the County Manager can plan accordingly.

7. INSPECTION OF THE WORK - All material and workmanship shall be subject to inspection, examination, and test by the County at any and all times during manufacture and/or construction and at any and all places where such manufacture and/or construction are carried on. COUNTY'S RIGHT TO TERMINATE THE CONTRACT - If the Contractor should be adjudged as bankrupt, or if Contractor should make a general assignment for the benefit of its creditors, or if a receiver should be appointed on account of its insolvency, or if Contractor should persistently or repeatedly refuse or fail to supply enough properly skilled workers or proper materials, or if Contractor should fail to make prompt payment to subcontractors or for materials or labor, or persistently disregard laws, ordinances or the instructions of the County, or otherwise committed a material breach of the Contract, then the County, may, after giving the Contractor 10 days written notice, terminate the Agreement and take possession of the premises and of all materials, tools and appliances and finish the work by whatever means County may deem expedient. 17. CONTRACTOR AND SUBCONTRACTOR INSURANCE - The Contractor shall not commence work until it has obtained all the required insurance and satisfactory proof of such insurance has been submitted to the County and said insurance has been approved to and approved by the County.
